

Meditation comes to Phelps Hospital.

We are pleased to announce the launch of guided meditation sessions at Phelps Hospital.

Meditation can remove stress and replace it with a dose of inner peace. It's one of the best tools we have to balance our emotions, deal with physical and psychological distress, and promote the peace of the present moment. Phelps Hospital invites you to our free, biweekly meditation sessions to practice mindfulness and learn how meditation can benefit your overall health and well-being. Our sessions take place on the second and fourth Wednesdays of each month.
